Formal words for IELTS writing

Improving your score from 5.5 to 7

S. REZA ATASHZAMZAM

Dear candidates:

This short but useful pamphlet is intended to boost your vocabulary knowledge for both academic and general training students preparing for IELTS writing task 2. This is, in fact, a list of useful Verbs, Nouns, Adjectives and Adverbs helping students to boost their score from 5.5 to nearly 7 in the IELTS test.

About the terms:

Low lexis: are the words that are less formal.

High lexis: are the words that are more formal and are recommended for higher scores.

You need to check the meaning of high lexis words to see how they are used in writing.
