

جلسه نهم: بررسی شرایط و موقعیت ها

☺ به مثال های زیر توجه کنید:

- How often do you go to the cinema?
- Where do you usually buy your clothes?
- When do you listen to music?

☹ مشکل این سوالات اینست که داوطلبین معمولاً جوابی مستقیم به این سوالات می دهند. مثلاً:

- Maybe once a week.
- In New World Department store.
- At weekends and in the evenings.

مطمئن باشید که با این جواب های کوتاه و مستقیم نمره خوبی نخواهید گرفت. کلید پاسخ دادن به این سوالات، جواب دادن با

دو یا سه پاسخ مختلف است. به عنوان مثال: 🙄🙄🙄🙄🙄

○"How often do you go to cinema?"

▫"Well to be honest, I think I would have to say that it really depends. Like for instance, if I have the money, then it's quite possible that I will watch a movie in the cinema, two or three times a month. You

know cinema tickets are pretty pricey in Tehran. Whereas in contrast, if I'm broke, it's more

likely that I'll watch movies at home on DVD; you probably know that DVDs are quite cheap here, especially compared to the price of a cinema ticket."

است. اگر از این ساختار استفاده کنید، می توانید يك "تضاد شرايطي" بسازید که به شما "it depends" کلید جواب، ساختار اجازه می دهد از زبان تضاد استفاده کنید.

👉 پیشنهاد به جای عبارت It Really Depends

- ... I think I would have to say that it really depends.
- ... I suppose I would have to maintain that it kind of depends really.
- ... I imagine that it would depend on the situation.
- ... I guess my answer would be determined by different conditions.

👉 به جای عبارت For Example
